Gray Gaulding #20 Krispy Kreme Toyota Camry Drive for COPD 125 Preview

Gaulding set to take on Thunder Valley in the NASCAR K&N Pro East Season Opener

Mooresville, NC (March 12, 2013) Gray Gaulding and the #20 Krispy Kreme Toyota team are set for Saturday's Drive for COPD 125 at "The Worlds Fastest Half Mile" Bristol Motor Speedway.

Gaulding who is coming off an impressive 6th place finish at the one-mile Phoenix Int'l Raceway, is excited about heading to Thunder Valley. "Bristol is a unique racetrack" said Gaulding "the speeds you carry, with the banking makes it unlike any other race track I have ever been on."

Gaulding will be running chassis number 1888, which the team tested with at Greenville Pickens Speedway in early February. "Chassis 1888 has always had a good feel to it, I tested it last year at SoBo (South Boston Speedway) and earlier this year at Greenville Pickens. This is the first time we have brought it as a primary" said Gaulding.

The NASCAR K&N Pro Series garage area opens on Thursday morning at 7am with first practice scheduled from 12:00 - 1:15 followed by final practice from 1:45 - 3:00. The day will conclude with qualifying at 5pm. No on track activity is scheduled for Friday. The garage will reopen at 11am on Saturday with the green flag dropping for the Drive for COPD 125 at approximately 4:45 following the NASCAR Nationwide Series race (all time are eastern standard, local to BMS).
