

Brian Scott Finishes Fifth at Charlotte Motor Speedway

Brian Scott and the No. 2 Anderson's Maple Syrup Chevrolet Camaro qualified sixth for the History 300 at Charlotte Motor Speedway. Scott's sweet Chevrolet was tight in the center and loose on exit, but had great pit stops to keep the Camaro in contention during the 200-lap showcase. Scott took over the fourth position on lap 75 and was scored third at the halfway mark. The Boise, Idaho native looked to spotter Chris Lambert to lead him to the line the leaders were driving. The No. 2 team visited pit road in the fifth position on lap 174 for the final time. Scott battled with the leaders for position and ultimately finished fifth, collecting his second top-five finish of the season. The Nationwide Series heads to Dover International Speedway next week with Scott sitting sixth in the driver point standings.

Start - 6th Finish - 5th Laps Led - 0 Pts - 6th

BRIAN SCOTT QUOTE:

"We had a really good Anderson's Maple Syrup Chevrolet today. I'm really happy with how our 1.5-mile program is coming along. This was a great points day for our Richard Childress Racing team. Track position was everything and we really needed the clean air. I'm looking forward to the tracks we have coming up. we'll be up front contending and leading laps soon."
